

# Annual Fund FAQ

## **What if my family is part of multiple classes?**

Parent/guardian donations will count towards all the classes you have students in. Give once and get credit for all your classes!

## **Why 100% participation?**

Like all non-profits, we aim for 100% participation in the Annual Fund Drive from the board, faculty, and parent/guardian body. When everyone contributes, we can more easily secure gifts from outside grant foundations and community donors who appreciate significant internal participation.

When we all give, others give as well—it's that simple.

## **Where does my money go?**

The Annual Fund Campaign and fundraising events must raise the 15% of our operating expenses that tuition doesn't cover every single year. Donations impact the school, supporting faculty jobs, professional development, and our thoughtfully designed classrooms.
