

CWS Inclement Weather Closings

- In the event of snow, treacherous road conditions, or other weather-related emergencies, school may be closed or be placed on a two-hour delay.
- School closings/delays affect all classes and grades, from preschool to high school.
- School closings/delays will be communicated to CWS families by text message and email; information will be available to the general public via website posting and announcement on all local television channels.
- The school makes “closed” or “delay” decisions by 5:30 am.
- The school makes “delays turned to closed” decisions by 6:30 a.m.
- If CWS is on a two-hour delay, the school start time would be 10:15. All classes, regardless of age/grade will be in session.
- CWS is an independent school and does **not** automatically follow Cincinnati Public or Mariemont Schools’ decisions.
- Once students are on campus, school will remain open until the regular school day’s end.
- Families are always free to make the decision to keep their children home from school, or to retrieve them early, if concerns about the weather or road conditions arise.
- If inclement weather will affect the After Care program, parents will receive a phone call before 2:00 p.m.
