EURYTHMY PIANIST

CWS is seeking qualified applicants with experience in piano accompaniment to assist with our established Eurythmy program. Applicants should be proficient pianists, preferably with college training in piano performance, or experience that is of equivalence. Capacity for sight reading should be strong, along with ability to play intermediate to early advanced level Classical repertoire. Applicants should feel comfortable with simple improvisation that supports the mood of a story, form, or poem. Composition skills are not required but very useful. This is a part-time hourly position.

Musicians are a value to the Eurythmy Program as they are an essential part of the children's learning experience at CWS. Making beautiful artistic music supports the Eurythmy movement in many ways, including musical development, listening, and enhancing the children's movements to be more beautiful and rhythmical. It is magical for the children and the teacher.

The Cincinnati Waldorf School is a well-established, AWSNA full member school. Our current enrollment is at its highest level to date and represents a wide diversity across neighborhoods, economics, ethnicity, and lifestyle.
